Shellybanks Educate Together National School (ETNS) is under the patronage of Educate Together. Parents/ Guardians are advised to familiarize themselves with the Educate Together ethos prior to enrolling their child in the school.

The school caters for children in Junior Infants initially. It is a developing school and is coeducational and multi- denominational. Shellybanks ETNS is a national school and as such operates in accordance within the Rules for National Schools and is dependent on such grants and teachers' resources as are provided by the DES. All school policies must have regard to the resources and funding provided.

Shellybanks ETNS follows the curricular programmes prescribed by the Department of Education and Science, which may be amended from time to time, in accordance with Sections 9 and 30 of the Education Act (1998).

Eligibility Criteria:

Under the Education Act 1998, a child may not be allowed to attend or be enrolled in a primary school before the 4th anniversary of his/her birth. In Shellybanks ETNS, children must be 4 years old on or before 30th June of the year of admission into Junior Infant classes.

Shellybanks Educate Together National School

Places will be offered in the first instance to siblings of children already attending Shellybanks ETNS.

Places will then be offered to children living in the area defined in Appendix 1 /attached catchment area. All further places will be allocated on a first come first served basis.

In determining admissions the Board of Management/ Manager shall take account of Department of Education and Skills regulations in relation to staffing, class size and class average. The Board of Management/ Manager shall also have regard to issues such as physical space, multi-grade classes, and the presence of children with special educational and/or behavioural needs.

Admissions Procedures:

1. Parents/Guardians wishing to apply for a place for their child must complete and return a pre-enrolment form. This form can be obtained by contacting the Shellybanks Educate Together Office at the above address, or may be completed online on the school website www.shellybanksetns.ie. This form requires the parent to give the school certain information regarding their child.
2. On receipt of a completed pre-enrolment form, a time and date stamp will be applied to each applicant. If more than one application form is received on a particular day then these numbers are awarded in the order of post-date on the envelope. If the post date on the envelopes is the same then children will be put on the admissions list one after the other in alphabetical order of surnames.
3. Each child will be placed on the list according to the time and date stamp. If parents have twins, triplets, etc. then the children will be put on the list one after the other in alphabetical order of the child's first name.
4. Two separate lists will be kept for each year, a Junior Infant and a non Junior Infant list. Children will be listed in order of time and date stamp.
5. No guarantees of places will be given or implied by pre- enrolment.
6. Children will, as a rule, only be admitted into Junior Infant classes during the month of September. Children may be admitted to a Junior Infant class during the school year provided they are transferring from another school.
 - 6.1. Places will be offered in the first instance to siblings of children already attending Shellybanks ETNS.

- 6.2. Places will then be offered to children living in the area defined in Appendix 1 / attached catchment area on a first come, first served basis. All further places will be allocated on a first come first served basis. Children will be offered places strictly by order of time and date stamp on the pre-enrolment list.
- 6.3. Fostered or adopted children will be placed on the pre-enrolment list in accordance with their birth date. Their place on the pre-enrolment list will depend on the time elapsed between placement of the child with the family and the enrolment date. For example, a child placed with the family at age two but placed on the enrolment list at age three will be treated as a child enrolled at age one. Confirmation from the relevant agency of the date of placement of a child with the family will need to be provided with the enrolment form. A pre-enrolment number will be provided which is relevant to the child's place on the list. It is the parent or guardian's responsibility to inform the school of this at pre-enrolment.
7. Letters of offer will be sent out to parents of prospective pupils as soon as practicable. Parents/Guardians must reply in writing to confirm an offered place within 14 days. This may be done via email. Failure to respond within 14 days will result in the place being forfeited.
8. Parents/ Guardians of Junior Infants may defer the child's place for one year, providing the child is under 6 by the first of September of the year in which he/she starts school. This means that the child will be placed on the list for the following year according to the original time and date stamp. Deferral does not guarantee a place the following year. If you are offered a place in Junior Infants you will be given a time frame within which you can defer and thereby keeping your original date and time stamp. Parents/ Guardians of children for classes other than Junior Infants cannot defer a place.
9. If a place is not offered during the school year for which a place is sought and parents wish their child's name to be put on the waiting list for the following year (either for Junior Infants or for another class), they must inform the school by the 30th September of the year for which the place is sought. By doing this the child will be placed on the list for the following year according to their original time and stamp. It is the responsibility of the parent/guardian to make such a request in writing; otherwise the application will be removed from the school's pre-enrolment list.
10. It is the sole responsibility of the parent to inform the school promptly of any change of address, telephone number or other relevant circumstances.

Enrolment of Children with Special Educational Needs into Mainstream Classes:

Where it is apparent that a child has a disability or other special educational needs, the school may require that these needs be assessed prior to admission in order to enable the school to make suitable advance preparations for the admission of the student and, if necessary, to seek additional resources.

The school will use the funding provided to it by the Department of Education and Skills to make reasonable provision and accommodation for students with a disability or other special educational needs, including, where necessary, alteration of buildings and provision of appropriate equipment.

Shellybanks ETNS endeavours at all times to practice the school policy of inclusion and welcomes applications from children with special educational needs. Such applications are subject to the enrolment principles outlined above. In order to assist the school in establishing the educational and physical needs of the child relevant to his/her ability or special needs, and to profile the support services required, the school requests that the parent/guardian of the child:

- Informs the school of any special needs as early as possible in the pre- enrolment / enrolment process.
- Ensures that copies of the child's medical and /or psychological report(s) are provided to Shellybanks ETNS

Where such a report is not available, a request should be made that the child would be assessed immediately. Following receipt of the report the Board of Management/ Manager will assess how the school can meet the needs specified therein. Where the Board/ Manager deems that further resources are required, it will, prior to enrolment, request the DES and/or the HSE provide the resources required to meet the needs of the child as outlined in the psychological and/or medical report.

The Principal may, in conjunction with the Special Educational Needs Organiser (SENO) or DES inspector, meet with the parents/guardians of the child to discuss the child's needs and the school's suitability or capability in meeting those needs.

Applications for admission in respect of a child with a disability or other special educational needs will be refused where the nature of the child's needs are such that they would make impossible, or have a seriously detrimental effect on, the provision of education by the school to other children.
