

	Item	Update	Action/Support
1	<b>Parking Concerns</b>	We have received a number of complaints and concerns from local companies/offices about the number of parents parking on both sides of the road, outside the school gate at drop off/collection. <b>We appreciate the parking situation is very difficult but urge you to either use the paid parking available further down Simmonscourt Road or to walk if possible.</b> We are all concerned about the children’s safety and urge you not to park directly outside the school gates as this is very dangerous.	
2	<b>Dual Language Books</b>	We are trying to build up resources that are reflective of our student body and the different cultures in our school. We believe our class libraries should be reflect this. If you have any story books or nonfiction books or games, either in different languages or which explore different cultures, and would like to donate them to school, you can drop them to the office at any time. Your donations are very much appreciated.	
3	<b>Deafblind Awareness Visit</b>	On Thursday each of the classes will take part in a ‘Deafblind Awareness Workshop’, facilitated by the Anne Sullivan Foundation. The	

		children will learn about the effects of deafness and blindness and will learn some basic sign language. This links very well to our Learn Together curriculum.	
4	<b>Parent Volunteers</b>	On behalf of all of the staff- we would like to thank all of the parents who have volunteered over the past few weeks. We have had a number of different events happening- school trips, talks about asylum seekers, a speaker about Ramadan, Maths for fun etc. Thank you all for giving of your time.	
5	<b>Student of the Week</b>	This week the children will again be working on 'We play kindly on the yard'
